29 October 2021

Dear Shareholder

Annual General Meeting 2021

Introduction

I am pleased to inform you that the eighth Annual General Meeting of DX (Group) plc (the **Company**) will be held at Ditton Manor, Ditton Park Road, Datchet, Slough SL3 7JB on 25 November 2021 at 11.00 am (the **Meeting** or **AGM**).

The formal notice convening this Meeting (**Notice**) is set out on pages 3 to 5 of this document. Explanatory notes and further information on each of the resolutions to be considered at the Meeting appear on pages 6 to 8 of this document.

Due to the ongoing COVID-19 pandemic and uncertainty as to any restrictions which may be in place as at the date of the Meeting, as well as the need to be available to shareholders at a physical meeting wherever possible; the Board has determined that it would be right to arrange a meeting open to all shareholders, with a contingency plan should that physical meeting not be able to take place. In doing so, the Board is using the power in Article 64 of the Company's Articles of Association to hold a virtual meeting (as was the case in 2020) by which persons entitled to attend the Meeting be able to see and hear the proceedings of the Meeting and to speak at the Meeting by means of a video feed and conference call to facilitate the raising of questions.

If a physical meeting is possible then the power under Article 64 will not be used, and no such facility will be provided.

With this ongoing uncertainty regarding pandemic restrictions, **shareholders are strongly encouraged to:**

1. raise questions in advance of the Meeting by email to LegalandRegulatory@dxdelivery.com by 2.00 pm on 23 November 2021, so that they can be responded to either at the Meeting, or by email or by publication on the Company's website. When submitting a question your email should be headed "AGM - Questions" and should include the shareholder's full name and number of shares held.
2. vote on all resolutions in advance of the Meeting and, if granting a proxy, to appoint the Chairman to ensure that their votes are counted at the Meeting (as explained further below under Action to be taken). This is because other proxy holders will not be able to attend and vote at the Meeting should it be held in accordance with Article 64.
3. appoint the Chairman as their proxy online and/or to act promptly in response to this letter as the situation with the COVID-19 pandemic and any future Government restrictions which might impact on the receipt of paper proxies. At the Meeting the Chairman will demand a poll under Article 78(a) in relation to all Resolutions.

In this way, shareholders will be sure that their voice is heard in the event that a virtual meeting under Article 64 is required; rather than risking attendance at a physical meeting which is then cancelled. This is because those using these facilities to see and hear the Meeting are, by Article 64, not regarded as being present at the Meeting and shall not be entitled to vote.

Any shareholder wishing to have the option (if a physical meeting is not possible) to listen to the AGM on a conference call (with the option to view proceedings) should email LegalandRegulatory@dxdelivery.com by 2.00 pm on 18 November 2021, so that they can be provided with conference call dial in details for the Meeting. Their email should be headed "AGM - request for conference details" and should give their full name and number of shares held.

On 6 October 2021 the Company issued an RNS announcement, which announced a delay to the publication of its final results, previously due on 12 October 2021. This followed notification by Grant Thornton UK LLP ("Grant Thornton") that, owing to internal resource issues and Grant Thornton's need to replace the Statutory Auditor, it cannot meet its previously agreed audit timetable. The Board expects to report final results for the year ended 3 July 2021 in line with previous guidance and trading for this financial year to date is in line with current market expectations. There have been no material audit issues raised to date by Grant Thornton. A further announcement will be made in due course once an audit completion date has been confirmed by Grant Thornton and the Company's Annual Report & Accounts will be available on the Company's website at www.dxdelivery.com and (if you have previously requested a hard copy) sent to you following that further announcement.

Action to be taken

This year, you will not receive a form of proxy for the AGM in the post. Instead, you will find instructions in the section entitled "Explanatory Notes to the Notice" to enable you to vote electronically and how to register to do so. To register, you will need your Investor Code, which can be found on your share certificate. You may request a paper form of proxy from our Registrar, Link Asset Services. Proxy votes should be submitted as early as possible and in any event by no later than 11.00 am on Tuesday 23 November 2021 in order to count towards the vote.

If you hold your ordinary shares in uncertificated form, you may use the CREST electronic proxy appointment service, details of which are set out in note 7 to the Notice.

Recommendation

The Board considers that all of the resolutions to be put to the Meeting are in the best interests of the Company and its shareholders and are most likely to promote the success of the Company for the benefit of its shareholders as a whole. The Board unanimously recommends that you vote in favour of all the proposed resolutions as each of the Directors intend to do in respect of their own beneficial holdings (if any).

Yours faithfully

Ronald Series
Chairman

Explanatory Notes to the Notice of Annual General Meeting

Resolution 1: Reports and Accounts (ordinary resolution)

The Directors are required to present the audited Annual Report and Accounts and the reports of the Directors and the auditor for the financial period ended 3 July 2021 to shareholders at the Meeting for approval. Shareholders will have the opportunity to ask questions on the contents of the accounts and reports before voting on the resolution.

Resolution 2: Re-appoint auditor (ordinary resolution)

The Company is required to appoint the auditor at each general meeting at which accounts are laid before the Company, to hold office until the end of the next annual general meeting. The Directors, on the recommendation of the Audit Committee (which evaluates the effectiveness and independence of the external auditor), are proposing the re-appointment of Grant Thornton UK LLP.

Resolution 3: Authority to set the auditor's remuneration (ordinary resolution)

In accordance with standard practice, this resolution gives authority to the Directors to determine the remuneration to be paid to the auditor.

Resolutions 4 and 5: Re-election of Director (ordinary resolution)

The Company's articles of association (**Articles**) require that one-third of the Directors (or the number nearest to but not exceeding one-third) shall retire by rotation at each annual general meeting, with each Director also being subject to re-election at intervals of not more than three years. In accordance with the Articles, it is proposed that shareholders will be asked to re-elect each of Ian Gray and David Mulligan as Directors of the Company. A brief biography for each of Ian and David can be found on pages 39 and 38 of the Annual Report, once published.

Resolution 6: Authority to allot securities (ordinary resolution)

The authority sought by this resolution is for the shareholders to grant the Directors authority under section 551 of the Act to allot shares.

This is similar to the authority granted at the Company's last annual general meeting, which this new authority replaces. If the shareholders vote in favour of this resolution, the Directors will have the authority to allot shares in the Company and to grant rights to subscribe for or convert any security into shares in the Company up to an aggregate maximum nominal value of £3,824,545.28 (representing approximately two-thirds of the issued share capital at the date of this Notice). This is within the guidelines issued by the Association of British Insurers, as it is considered routine and standard practice for a company listed on the Alternative Investment Market to seek authorisation to allot up to two-thirds of its existing issued share capital (excluding shares held in treasury). The Company currently has no shares held in treasury. However, the additional one-third may only be applied to fully pre-emptive rights issues and the authorisation is only valid until the next annual general meeting. The Directors will be seeking annual renewal of this authority in accordance with best practice and to ensure the Company has maximum flexibility in managing its capital resources. The authorities granted under Resolution 6 will expire at the end of the next annual general meeting.

Resolution 7: Disapplication of statutory pre-emption rights (special resolution)

Under Section 561 of the Act, if the Directors wish to allot any of the unissued shares or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. Your Directors believe that this would be too restrictive to enable the Company to take advantage of opportunities which may arise. This resolution is seeking to authorise the Directors (pursuant to Section 570 of the Act) to disapply the statutory pre-emption provisions and to allot ordinary shares of up to an aggregate nominal amount of £573,681.79 otherwise than on a pro rata basis. This represents 10% of the Company's issued share capital at the date of this Notice. This is similar to the authority granted at the Company's last annual general meeting, which this new authority replaces. This authority will expire at the end of the next annual general meeting of the Company.

Resolution 8: Purchase of own shares by the Company (special resolution)

The shareholders are asked to approve this resolution which grants the Company the ability to purchase its own shares. The authority will be limited for the Company to make market purchases of up to 57,368,179 ordinary shares, being 10% of the entire issued share capital as at the date of this Notice. The authority will be kept under review and the Company will only exercise the power of purchase after careful consideration and when the Company is satisfied that to do so is in its best interests under the circumstances. Ordinary shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The Company currently has no ordinary shares in treasury. The minimum price, exclusive of expenses, which may be paid for an ordinary share is one pence. The maximum price, exclusive of expenses, which may be paid for an ordinary share is the higher of (i) an amount equal to 5% above the average of the middle market quotations for an ordinary share in the Company as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which that ordinary share is contracted to be purchased and (ii) the higher of the price of the last independent trade in the Company and the highest current independent bid for an ordinary share on the London Stock Exchange Official List at the time the purchase is carried out. The authority granted by this resolution will expire at the conclusion of the next annual general meeting of the Company.
