The formal notice convening this Meeting (**Notice**) is set out on pages 3 to 5 of this document. Explanatory notes and further information on each of the resolutions to be considered at the Meeting appear on pages 6 to 8 of this document.

Accompanying the Notice is the 2019 Annual Report (the **Annual Report**).

Action to be taken

This year, you will not receive a form of proxy for the AGM in the post. Instead, you will find instructions in the section entitled "Explanatory Notes to the Notice" to enable you to vote electronically and how to register to do so. To register, you will need your Investor Code, which can be found on your share certificate. Submission of a proxy vote will not preclude you from attending and voting at the AGM in person and you may request a paper form of proxy from our Registrar, Link Asset Services. Proxy votes should be submitted as early as possible and in any event by no later than 11.00 am on Tuesday 26 November 2019 in order to count towards the vote.

If you hold your ordinary shares in uncertificated form, you may use the CREST electronic proxy appointment service, details of which are set out in note 10 to the Notice.

Recommendation

The Board considers that all of the resolutions to be put to the Meeting are in the best interests of the Company and its shareholders and are most likely to promote the success of the Company for the benefit of its shareholders as a whole. The Board unanimously recommends that you vote in favour of all the proposed resolutions as each of the Directors intend to do in respect of their own beneficial holdings (if any).

Yours faithfully

Ronald Series

Chairman

Explanatory Notes to the Notice of Annual General Meeting

Resolution 1: Reports and Accounts (ordinary resolution)

The Directors are required to present the audited Annual Report and Accounts and the reports of the Directors and the auditor for the financial year ended 30 June 2019 to shareholders at the Meeting for approval. Shareholders will have the opportunity to ask questions on the contents of the accounts and reports before voting on the resolution.

Resolution 2: Re-appoint auditor (ordinary resolution)

The Company is required to appoint the auditor at each general meeting at which accounts are laid before the Company, to hold office until the end of the next annual general meeting. The Directors, on the recommendation of the Audit Committee (which has evaluated the effectiveness and independence of the external auditor), are proposing the re-appointment of KPMG LLP.

Resolution 3: Authority to set the auditor's remuneration (ordinary resolution)

In accordance with standard practice, this resolution gives authority to the Directors to determine the remuneration to be paid to the auditor.

Resolutions 4 and 5: Re-election of Director (ordinary resolution)

The Company's articles of association (Articles) require that one-third of the Directors (or the number nearest to but not exceeding one-third) shall retire by rotation at each annual general meeting, with each Director also being subject to re-election at intervals of not more than three years. In accordance with the Articles, it is proposed that shareholders will be asked to re-elect each of Ronald Series and Lloyd Dunn as Directors of the Company. A brief biography for Ronald and Lloyd can be found on page 22 of the Annual Report.

Resolution 6: Authority to allot securities (ordinary resolution)

The authority sought by this resolution is for the shareholders to grant the Directors authority under Section 551 of the Act to allot shares.

This is the same as the authority granted at the Company's last annual general meeting, which this new authority replaces. If the shareholders vote in favour of this resolution, the Directors will have the authority to allot shares in the Company and to grant rights to subscribe for or convert any security into shares in the Company up to an aggregate maximum nominal value of £3,824,545.28 (representing approximately two-thirds of the issued share capital at the date of this Notice). This is within the guidelines issued by the Association of British Insurers, as it is considered routine and standard practice for a company listed on the Alternative Investment Market to seek authorisation to allot up to two-thirds of its existing issued share capital (excluding shares held in treasury). The Company currently has no shares held in treasury. However, the additional one-third may only be applied to fully pre-emptive rights issues and the authorisation is only valid until the next annual general meeting. The Directors will be seeking annual renewal of this authority in accordance with best practice and to ensure the Company has maximum flexibility in managing its capital resources. The authorities granted under Resolution 6 will expire at the end of the next annual general meeting.

Resolution 7: Disapplication of statutory pre-emption rights (special resolution)

Under Section 561 of the Act, if the Directors wish to allot any of the unissued shares or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. Your Directors believe that this would be too restrictive to enable the Company to take advantage of opportunities which may arise. This resolution is seeking to authorise the Directors (pursuant to Section 570 of the Act) to disapply the statutory pre-emption provisions and to allot ordinary shares of up to an aggregate nominal amount of £573,681.79 otherwise than on a pro rata basis. This represents 10% of the Company's issued share capital at the date of this Notice. This is similar to the authority granted at the Company's last annual general meeting, which this new authority replaces. This authority will expire at the end of the next annual general meeting of the Company.

Resolution 8: Purchase of own shares by the Company (special resolution)

The shareholders are asked to approve this resolution which grants the Company the ability to purchase its own shares. The authority will be limited for the Company to make market purchases of up to 57,368,179 ordinary shares, being 10% of the entire issued share capital as at the date of this Notice. The authority will be kept under review and the Company will only exercise the power of purchase after careful consideration and when the Company is satisfied that to do so is in its best interests under the circumstances. Ordinary shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The Company currently has no ordinary shares in treasury. The minimum price, exclusive of expenses, which may be paid for an ordinary share is one pence. The maximum price, exclusive of expenses, which may be paid for an ordinary share is the higher of (i) an amount equal to 5% above the average of the middle market quotations for an ordinary share in the Company as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which that ordinary share is contracted to be purchased and (ii) the higher of the price of the last independent trade in the Company and the highest current independent bid for an ordinary share on the London Stock Exchange Official List at the time the purchase is carried out. The authority granted by this resolution will expire at the conclusion of the next annual general meeting of the Company.
