Explanatory Notes to the Notice of Annual General Meeting

Resolution 1: Reports and Accounts (ordinary resolution)

The Directors are required to present the audited accounts and the reports of the Directors and the auditors for the financial year ended 30 June 2015 to shareholders at the Meeting for approval.

Resolution 2: Declaration of a final dividend (ordinary resolution)

Shareholders are being asked to approve a final dividend of four pence for each ordinary share of one pence in the capital of the Company. Final dividends must be approved by shareholders but must not exceed the amount recommended by Directors. If approved, the dividend will be paid on 16 November 2015 to holders of ordinary shares on the register of members at the close of business on 9 October 2015. The ex-dividend date will be 8 October 2015.

Resolution 3: Re-appoint auditors (ordinary resolution)

The Company is required to appoint auditors at each general meeting at which accounts are laid before the Company, to hold office until the end of the next annual general meeting. The Directors, on the recommendation of the Audit Committee (which has evaluated the effectiveness and independence of the external auditor), are proposing the re-appointment of KPMG LLP.

Resolution 4: Authority to set the auditors' remuneration (ordinary resolution)

In accordance with standard practice, this resolution gives authority to the Directors to determine the remuneration to be paid to the auditors.

Resolutions 5: Re-election of Director (ordinary resolution)

The Company's articles of association (**Articles**) require that one third of the Directors (or the number nearest to but not exceeding than one third) shall retire by rotation at each annual general meeting, with each Director also being subject to re-election at intervals of not more than three years. In accordance with the Articles, it is proposed that shareholders will be asked to re-elect Ian Pain as a Director of the Company. A brief biography for Ian can be found on page 26 of the Annual Report.

Resolution 6: Authority to allot securities (ordinary resolution)

The authority sought by this resolution is for the shareholders to grant the Directors authority under section 551 of the Act to allot shares.

This is similar to the authority granted at the Company's last annual general meeting, which this new authority replaces. If the shareholders vote in favour of this resolution, the Directors will have the authority to allot shares in the Company and to grant rights to subscribe for or convert any security into shares in the Company up to an aggregate maximum nominal value of £1,336,702.98 (representing approximately two thirds of the issued share capital. This is within the guidelines issued by the Association of British Insurers, as it is considered routine and standard practice for a company listed on the Alternative Investment Market to seek authorisation to allot up to two thirds of its existing issued share capital (excluding shares held in treasury). The Company currently has no shares held in treasury. However, the additional one third may only be applied to fully pre-emptive rights issues and the authorisation is only be valid until the next annual general meeting. The Directors will be seeking annual renewal of this authority in accordance with best practice and to ensure the Company has maximum flexibility in managing its capital resources. The authorities granted under Resolution 6 will expire at the end of the next annual general meeting.

Resolution 7: Disapplication of statutory pre-emption rights (special resolution)

Under Section 561 of the Act, if the Directors wish to allot any of the unissued shares or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. This resolution is seeking to authorise the Directors (pursuant to Section 570 of the Act) to disapply the statutory pre-emption provisions and to allot ordinary shares of up to an aggregate nominal amount of £200,525.50 otherwise than on a pro rata basis. This represents 10% of the Company's issued share capital on the date of this Notice. This is similar to the authority granted at the Company's last annual general meeting, which this new authority replaces. This authority will expire at the end of the next annual general meeting of the Company.

Resolution 8: Purchase of own shares by the Company

The shareholders are asked to approve this resolution which grants the Company the ability to purchase its own shares. The authority will be limited for the Company to make market purchases of up to 20,052,550 ordinary shares, being 10% of the entire issued share capital as at the date of this Notice. The authority will be kept under review and the Company will only exercise the power of purchase after careful consideration and when the Company is satisfied that to do so is in its best interests under the circumstances. Ordinary shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The Company currently has no ordinary shares in treasury. The minimum price, exclusive of expenses, which may be paid for an ordinary share is one pence. The maximum price, exclusive of expenses, which may be paid for an ordinary share is the higher of (i) an amount equal to 5% above the average of the middle market quotations for an ordinary share derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which that ordinary share is contracted to be purchased and (ii) the higher of the price of the last independent trade and the highest current independent bid on the London Stock Exchange Official List at the time the purchase is carried out. The authority granted by this resolution will expire at the conclusion of the next annual general meeting of the Company.

General notes:

1. Only those members registered on the Company's register of members at 6.00 pm on 5 November 2015 or, if this Meeting is adjourned, at 6.00 pm on the day two days prior to the adjourned meeting, shall be entitled to attend, speak and vote at the Meeting.
2. If you are a member of the Company at the time set out in note 1 above, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the Meeting and you should have received a Form of Proxy with this Notice. You can only appoint a proxy using the procedures set out in these notes and the notes to the Form of Proxy.

Appointment of a proxy does not preclude you from attending the Meeting and voting in person. If you have appointed a proxy and attend the Meeting in person, your proxy appointment will automatically be terminated.

A proxy does not need to be a member of the Company but must attend the Meeting to represent you. Details of how to appoint the Chairman of the Meeting or another person as your proxy using the Form of Proxy are set out in the notes to the Form of Proxy. If you wish your proxy to speak on your behalf at the Meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.

You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share.

The notes to the Form of Proxy explain how to direct your proxy how to vote on each resolution or withhold their vote.

To appoint a proxy using the Form of Proxy, the form must be completed and signed; sent or delivered to Capita Asset Services at PXS, 34 Beckenham Road, Beckenham, Kent, BR3 4TU; and received by Capita Asset Services no later than 10.00 am on 5 November 2015.

In the case of a member which is a company, the Form of Proxy must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the Form of Proxy is signed (or a duly certified copy of such power or authority) must be included with the Form of Proxy.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) of it by using the procedures described in the CREST Manual (available from <https://www.euroclear.com/site/public/EUI>). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

Explanatory Notes to the Notice of Annual General Meeting continued

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (**EUI**) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by 10.00 am on 5 November 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

3. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.
4. The following documents will be available for inspection at the registered office of the Company (at an agreed time, please contact legalandregulatory@thedx.co.uk) from the date of this Notice and at the place of the Meeting for at least 15 minutes prior to the Meeting until the end of the Meeting:
